INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to the duty of disclosure under 37 CFR §§ 1.56, 1.97, and 1.98, applicant submits herewith a Supplemental Information Disclosure Statement (IDS) accompanied by the Form PTO/SB/08A with the prior art references listed therein. These prior art references have been cited in the International Search Report issued in the corresponding International Application No. PCT/US2004/42847 on February 6, 2007 (copy of the ISR is attached herewith).

Since all of the references cited in this IDS are the US Patent documents, no copies of these documents are required to be submitted along with the Form PTO-1449. Further, because the documents are in the English language, no concise explanation of their relevancy is necessary, as pointed out in 37 CFR §1.98 (3)(i).

Inasmuch as the subject application has not yet received a first Office Action on the merits, and, further, since each item of information contained in this Information Disclosure Statement was first cited in the above mentioned Office Action not more than three months prior to the filing of this statement, this information is believed to be timely filed under 37 CFR §1.97(b)(3) and 37 CFR 1.97(c)(e)(1). Accordingly, consideration of the enclosed references is deemed proper, and is therefore respectfully requested.

No fee is deemed necessary in connection with the filing of this communication. However, if any fee is required, authorization is hereby given to charge the amount of any such fee to the undersigned firm's Deposit Account No.07-1730, Docket No. 4630-010. A duplicate copy of this communication is attached for that purpose.

Respectfully submitted
